

STATEMENT OF ACKNOWLEDGEMENT 91QSCI-16-207 Lot 501

Prospective Bidders are bidding on the following item(s): One lot consisting of 41,475 pounds of: Once fired (mixed), spent lead ammunition (the "Lot"). The Lot may include a small percentage (%) of non-lead material such as brass casings and shot-gun husk. **The majority of the spent lead is from .40 caliber ammunition. Approximately 25% will be from 5.56 rifle cartridges and a small percentage will be other various pistol calibers.** The total weight of the Lot is approximately 41,475 pounds and is contained in 21 Industrial sacks, 5 - 55-Gallon Drums. The containers are included as part of the sale of the Lot. The successful bidder must ensure that transport of the Lot from the government facility is in accordance with any applicable U.S. Department of Transportation (DOT) regulations. *Therefore, the lead may need to be transferred from the industrial sacks to DOT-approved containers and/or may require transport by an appropriately licensed hauler. CBP will require a copy of the transportation manifest.*

Pursuant to Federal Management Regulation § 102–40.145:

The undersigned bidder hereby certifies that if awarded a contract under this invitation for bids, the bidder will comply with all applicable Federal, state, and local laws, ordinances, and regulations with respect to the care, handling, storage, shipment, resale, export, or other use of the material hereby purchased. The bidder will hold the United States harmless from and indemnify the United States against any or all debts, liabilities, judgments, costs, demands, suits, actions, or other claims of any nature arising from or incident to the handling, use, storage, shipment, resale, export, or other disposition of the items purchased.

Item 501 Internet Auction Sale 91QSCI-16-207 contains ammunition or ammunition components offered for sale in this invitation. The undersigned certifies that he/she will comply with all applicable local, state, and Federal laws and regulations concerning ammunition or ammunition components.
