In the event of revocation of a Bid prior to acceptance of an Accepted Bid, or in the event of revocation of a Bid after acceptance of an Accepted Bid, or in the event of any default by the Purchaser in the performance of the Agreement of Sale, or in the event of failure by the Purchaser to consummate the transactions contemplated by the Agreement of Sale, the Government shall have the right, in its sole discretion: (A) to require the forfeit of the Registration Deposit and the Additional Deposit (if applicable) to the Government, following which, the Bidder or Purchaser, as the case may be, shall be relieved from further liability and obligations; or (B) to avail itself of any and all legal or equitable rights which it may have under the law.

13. TITLE

If a Bid is accepted, a quitclaim deed or a deed without warranty in conformity with local law and practice will convey the Government's interest. The Government does not pay for or provide title insurance.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency that is not a "bona fide established commercial agency" (described below) to solicit or secure acceptance of a Bid upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right, in its sole discretion, to terminate the Agreement of Sale without liability and/or, in addition to any relief available to the Government pursuant to the "Revocation of Bid and Default" Section above, to recover from the Purchaser an amount equal to the amount of such commission, percentage, brokerage, or contingent fee. A "bona fide established commercial agency" has been construed to include a licensed real estate broker engaged in the business generally. In the event the Purchaser has employed or retained a bona fide established commercial agency in connection with this IFB, the Purchaser warrants that any fee or commission due to the same shall be borne solely by the Purchaser.

15. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

Within a reasonable amount after the time of the acceptance of the Accepted Bid, the Purchaser must open an escrow account with an independent, unaffiliated escrow company ("Escrow Agent") to handle aspects of the closing including recording of deed, disposition of proceeds and any related matters. All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. Prior to the Closing Date, the Government will provide escrow instructions to the Escrow Agent which may also include time frames for the

performance of any obligation owed by the Purchaser or the Government created by the Agreement of Sale.

The closing date of the sale (the "Closing Date") will be set by the Government and will be no later than sixty (60) calendar days after acceptance of the Accepted Bid. Government reserves the right to extend such Closing Date for a reasonable amount of time.

By the Closing Date, the Purchaser shall tender to the Escrow Agent the balance of the Purchase Price in the form of a cashier's check, certified check, or electronic wire transfer. Upon confirmation that the Purchaser's funds have been received by the Escrow Agent and are to the satisfaction of the same, the Government will deliver to the Escrow Agent the instrument, or instruments, of conveyance. Possession of the Property will be assumed by the Purchaser as of the Closing Date.

16. DELAYED CLOSING AND PURCHASER'S REQUEST TO DELAY

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay interest on the outstanding balance of the purchase price if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed, as of the date of acceptance of the Accepted Bid, based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%). The Government reserves the right to impose additional terms and conditions on any such grant.

17. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

All closing costs, including escrow and financing fees, are borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain, at Purchaser's own expense, and affix to all instruments of conveyance and security documents, such revenue and documentary stamps as may be required by Federal, state, and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

A conformed copy of the recorded quitclaim deed shall be provided by the Purchaser to GSA, within five (5) business days after recording, at the following address:

U.S. General Services Administration
Attn: Anthony Barbati
Office of Real Property Disposition (1PZ)
Thomas P. O'Neill Federal Building

Boston, Massachusetts 02222

18. OFFICIALS NOT TO BENEFIT

GSA employees are prohibited from bidding on the Property.

By signature of the Bidder Registration and Bid Form, bidders hereby certify that their entity is in compliance with Section 889, Prohibition of Certain Telecommunications and Video Surveillance Services or Equipment of the Fiscal Year 2019 National Defense Authorization Act (Pub. The statute prohibits contracting with an entity that uses certain telecommunications equipment or services produced by the below entities, companies, affiliates, or subsidiaries:

- a. Huawei Technologies Company

GSA validates prospective bidders' eligibility via the System for Award Management (SAM) Exclusions Extract (available at www.sam.gov > SAM Home > Data Access > Exclusion Interfaces) and are required to provide their Social Security Number or Tax Identification Number on the Bid Form. Accordingly, bidders are required to provide their Social Security Number or Tax Identification Number on the Bid Form.

21. ANTITRUST LAWS

The Agreement of Sale may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with anti-trust laws. The Government may rescind the acceptance of any Bid if unfavorable advice is received from said Attorney General, without liability on the part of the Government other than to return all deposits held by the Government without interest.

SPECIFIC TERMS OF SALE

Clauses pertaining to the following environmental matters will appear in the Deed to the Property.

ENVIRONMENTAL CONSIDERATIONS. Pursuant to Section 120(h), 42 U.S.C.9620(h), of the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (CERCLA), 42 U.S.C. §§ 9601 - 9675, and based upon a complete search of agency files, the United States gives notice that no hazardous substances have been released or disposed of or stored for one year or more on the Property.

CERCLA Covenant. Grantor warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this conveyance. Grantor warrants that it shall take any additional response action found to be necessary after the date of this conveyance regarding hazardous substances located on the Property on the date of this conveyance.

- (a) This covenant shall not apply: (a) in any case in which the Grantee, its successors or assigns, or any successor in interest to the Property or part thereof is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance; or (b) to the extent but only to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Grantee, its successors or assigns, or any party in possession after the date of this conveyance that either: (i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this conveyance; or (ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.
- (b) In the event the Grantee, its successors or assigns, seeks to have the Grantor conduct or pay for any additional response action, and as a condition precedent to the Grantor incurring any additional cleanup obligation or related expenses, the Grantee, its successors or assigns, shall provide the Grantor at least 45 days written notice of such a claim and provide credible evidence that: (a) the associated contamination existed prior to the date of this conveyance; and (b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Grantee, its successors or assigns, or any party in possession.

Reservation of Right Access. The Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation, or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to Grantor. These rights shall be exercisable in any case in which a remedial action, response action or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include, drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses, or remedial actions, shall be coordinated with record title owner and shall be performed in a manner that minimizes interruption with activities of authorized occupants.

NOTICE OF PRESENCE OF ASBESTOS CONTAINING MATERIALS (“ACM”)

- a) Bidders are warned that the Property may contain asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the U.S. Occupational Safety and Health Administration (OSHA) and the U.S. Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers, and which can result in disability or death.
- b) Bidders are invited, urged, and cautioned to inspect the Property to be sold prior to submitting a bid. More particularly, bidders are invited, urged, and cautioned to inspect the Property as to its asbestos content and condition, and any hazardous or environmental conditions relating thereto. The Government will assist bidders in obtaining any authorization(s) which may be required to carry out any such inspection(s). Bidders shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards, or concerns.
- c) No warranties either express or implied are given regarding the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.
- d) The description of the Property set forth in this IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.
- e) The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, licensees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this sale, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.
- f) The Bidder further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

NOTICE OF PRESENCE OF LEAD-BASED PAINT (LBP)

The Purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property

is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to converting the Property to a residential dwelling.

FLOODPLAIN

The property is located within the Flood Insurance Rate Map (FIRM) Panel 336103C0018H (FEMA 2009). The property is mapped primarily as Zone AE, meaning that it is a Special Flood Hazard Area (SFHA) with Base Flood Elevation (BFE). FEMA defines Zone AE as the area that will be inundated by the flood event having a 1-percent chance of being equaled or exceeded in any given year (FEMA 2022). The 1-percent annual chance flood is also referred to as the base flood or 100-year flood. Zone AE is the resulting designation on the flood map, to indicate an SFHA with BFE as the computed elevation to which the flood is anticipated to rise during the base flood (FEMA 2022) drainage areas of less than one square mile.

Use of the property may be restricted under federal, state, or local floodplain regulations. The Grantee agrees to comply with all federal, state and local regulations pertaining to use and development of the Property, including all applicable federal, state or local floodplain regulations.

The Grantee and all successors and assigns shall save and hold the Grantor harmless in the event of damage to or loss of life or property resulting directly or indirectly from flooding.

Any request to change the name of the Purchaser after acceptance of any Bid may be withheld or granted by the Government in its sole and absolute discretion. If an individual wishes to Bid on the Property as both an individual and as the authorized representative of an entity, such Bidder must ensure that the individual and the entity are separately registered and, thereafter, place Bids accordingly.

In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the TIN must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully register to Bid without providing a TIN. A TIN is defined as an individual's SSN or a business entity's EIN. If a Bidder registers as an individual, his or her SSN will be validated with such individual's name and address. If a Bidder registers as an entity, its EIN will be validated with such entity's name and address. The use of an individual's SSN is subject to the Privacy Act of 1974, 5 U.S.C. Section 552a, and will be collected only to verify the data submitted by the Bidder and

for any refund of the Registration Deposit. A credit card validation process will be conducted to prevent potential fraudulent bidding activity and to ensure that Bidders are prepared to accept responsibility for their bidding activity. The credit card information provided as a part of the online registration process is used strictly for validation purposes. The Website does not automatically charge credit cards on file. For more information and assistance with the online registration process, please go to the Website.

- 2) Complete Bidder Registration Form: Bidders must complete and submit the Bidder Registration Form that accompanies this IFB. All information and certifications requested thereon must be provided. Any Bidder Registration Form that fails to furnish all required information or certifications may be summarily rejected. The Bidder Registration Form must be filled out legibly with all erasures, strikeouts and corrections initialed by the person signing the Bidder Registration Form. The Bidder Registration Form must be signed and dated. Additional Bidder Registration Forms are available upon request or Bidders may photocopy and/or print the form that accompanies this IFB.
- 3) Provide Registration Deposit: A deposit in the amount of **\$100,000** (the "Registration Deposit") must accompany a Bidder's Bidder Registration Form. Registration Deposits must be provided in the form of a cashier's check, certified check or credit card (Visa, MasterCard, Discover or American Express). Notwithstanding the prior sentence, if the Registration Deposit for the Property is greater than **\$49,999.99**, a credit card cannot be used to provide the Registration Deposit. Personal or company checks are NOT acceptable and will be returned to the sender. Check must be made payable to: "U.S. General Services Administration." If a Registration Deposit will be paid by credit card, Bidders must also provide the requested card information under the portion of the Bidder Registration Form titled "Registration Deposit". The Registration Deposit cannot be made via the Website.
- 4) To complete the Bidder registration process, send the completed Bidder Registration Form, along with the Registration Deposit, to:

U.S. General Services Administration
Office of Real Property Utilization and Disposal (1PZ)
Thomas P. O'Neill Federal Building
10 Causeway Street, Suite 1100
Boston, MA 02222
Attn: Lawanda Maryland
- 5) If the Registration Deposit is to be paid by credit card, the Bidder Registration Form can also be submitted to GSA by email to realestate.sales@gsa.gov.
- 6) At such time that the Bidder completes the online registration process on the Website, GSA receives the fully completed Bidder Registration Form, and GSA verifies the Bidder's Registration Deposit is received and in satisfactory form, the Bidder will be allowed to participate in the Auction.
- 7) It is the responsibility of the Bidder to ensure that adequate time is available to complete the registration process as described above. The Government makes no representation or guarantee that any additional assistance or time will be provided to complete the registration process. No Bidder will be allowed to participate in the Auction until the entire registration process is complete.
- 8) Registration may occur at any time prior to the close of the Auction. The Government, however, makes no representation or guarantee that a Bidder's registration will be completed prior to the announced date and time for the anticipated close of the Auction. Therefore, Bidders are encouraged to register before the Auction opens.
- 9) In the event a party completes the Bidder registration process, but never places a Bid on the Website, such party will be entitled to a refund of its Registration Deposit.

6. BIDDING IN GENERAL

- 1) After successful completion of the registration process described above, Bidders are permitted to participate in the Auction. Registered Bidders may place Bids by following the instructions on the Website. By submitting a Bid through the Website, each Bidder agrees that its Bid is a binding offer to purchase the Property. This means that Bidders are legally bound by any and all Bids submitted using such Bidder's username and password.

The Website provides up-to-date information on a Bidder's bidding status. A Bidder can check its bidding status by clicking on the "Bid History" section of the Website.

- 2) Bids received through the Website are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and any other time indicated, displayed, or otherwise stated or represented by a Bidder.
- 3) Bids must be submitted without contingencies.
- 4) The Website does not permit any party that is currently in default for non-payment or non-removal of items under any GSA auction to place a Bid. Once such party cures its default (and has registered to become a Bidder in accordance with the terms of this IFB), the Bidder will be permitted to place a Bid on the Website.

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity on the Website. Bids are immediately posted on the Website upon receipt. If a Bidder does not have the High Bid and the Auction has not closed, that Bidder can place another Bid. Bids cannot be lowered or canceled provided, however, that a Bidder can decrease the maximum amount of its proxy Bid to the extent and in the manner described in the Flat Bidding and Proxy Bidding; Increasing a Bid Online Section below.

If a Bid is not accurately shown on the Website, call GSA at 617-565-5700. Bidders are urged to pay close attention to the Website which will contain new, revised, and useful information regarding the High Bid, the Bid Increment, and the closing date of the Auction. It is each Bidder's responsibility to monitor the Website for any updates to the Property and the IFB.

8. FLAT BIDDING AND PROXY BIDDING; INCREASING A BID ONLINE

- 1) The Website allows Bidders to place flat Bids or proxy Bids:

A flat Bid is a Bid with an amount that is at least the then lowest amount that the Website will allow to be placed in order to participate in the Auction. This means that a flat Bid will be either: (i) an amount that is at least the Starting Bid of the Auction (if a Bidder is the first Bidder to place a Bid); or (ii) an amount that is at least the then current High Bid plus the Bid Increment. This amount will not increase unless such Bidder manually submits another Bid on the Website.

Proxy bidding provides a Bidder with the ability to submit a Bid with a maximum amount that a Bidder is willing to pay for the Property, provided, however, that such maximum amount must be greater than the then current High Bid plus the Bid Increment. Note that such maximum amount does not need to be a numeric multiple of the Bid Increment, but must be a whole dollar amount. If a Bidder uses proxy bidding, the Website will automatically incrementally Bid on that Bidder's behalf to keep that Bidder's

Bid as the then current High Bid until such maximum amount is reached. This means that, in certain instances, an amount greater or lesser than the Bid Increment may be placed by the Website. The maximum amount that a Bidder includes in its proxy Bid is not disclosed to other Bidders.

- 2) If a Bidder selects to receive e-mail notifications during registration, the Website will provide notification to such Bidder if its Bid is no longer the then current High Bid. If a Bidder desires to submit another Bid, it can submit another flat Bid or reset its maximum Bid amount under its proxy Bid until such time that the Auction closes. The Registration Deposit will apply to all subsequently placed Bids. When two proxy Bids compete, the proxy Bid containing the higher maximum amount that a Bidder is willing to pay for the Property will surpass the proxy Bid containing the lesser maximum amount that a Bidder is willing to pay for the Property even if the higher maximum amount does not exceed the lesser maximum amount by the full Bid Increment. In such a case, this means that the higher maximum amount of the proxy Bid will be placed. In the event an amount under a proxy Bid equals the amount placed by a flat Bid, the proxy Bid will be deemed to have surpassed the flat Bid and the Website will place the amount of the proxy Bid in a manner that indicates such priority.
- 3) A Bidder may increase or decrease its maximum amount under its proxy Bid at any time provided, however, that a Bidder may not decrease its maximum amount below the then current High Bid plus Bid Increment. If a Bidder's Bid is the then current High Bid, increasing such Bidder's maximum amount under its proxy Bid will not increase such High Bid unless and until another Bid is placed.
- 4) **All Bids must be made on the Website. The Government reserves the right to modify the Bid Increment at any time prior to the close of the Auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the Bidder to transmit a Bid or the inability of the Government to receive a Bid for whatever reason. Failure to receive a Bid may include, but is not limited to the following:

- 1) Receipt of a garbled or incomplete Bid.
- 2) Availability or condition of the sending or receiving electronic equipment.
- 3) Incompatibility between the sending and receiving equipment and software.
- 4) Malfunctioning of any network, computer hardware or software.
- 5) Delay in transmission or receipt of a Bid.
- 6) Failure of Bidder to properly identify the Bid.
- 7) Security of Bid data.
- 8) Inability of Bidder to enter a Bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- 9) Unavailability of GSA personnel.

If a Bid is not accurately shown or a Bidder cannot enter a Bid on the Website, call GSA at 617-565-5700 for assistance.

The Website will NOT be available during the following system maintenance windows:

- **Saturday: 5:00 a.m. to 8:00 a.m. CT**
- **Sunday: 6:00 a.m. to 10:00 a.m. CT**

10. AUCTION CLOSE

- Posting of the Close of Auction. The Government will post on the Website the date and time on which the auction is anticipated to close (shown on the Website as “Close Time”). This posting is typically at least three (3) business days prior to the posted Close Time. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as “Time Remaining”).
- Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the “Inactivity Period”) and is posted under the “Bidding Details” tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24-hours represented as 1440 minutes. The Auction closes when the High Bid remains unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional 24-hour Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.
- Exceptions for Weekends and Holidays. **Notwithstanding the foregoing, the Auction will not close if the Inactivity Period ends between: (i) 12:01 a.m. on Saturday through 11:59 p.m. on Sunday (“Weekend”); or (ii) 12:01 a.m. through 11:59 p.m. on any [Federal Holidays](#) (“Federal Holiday”). If the Inactivity Period ends on a Weekend or Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holidays.**
- Bidders are responsible for monitoring the Website for the posting of the Initially Anticipated Close Date, the Inactivity Period, and any adjustments to the time and date of the anticipated close of the Auction.**

11. CONTINUING OFFERS

Each Bid received shall be deemed to be a continuing offer to purchase the Property until the earlier of: (a) 30 calendar days after the close of the Auction; or (b) the Bid is accepted or rejected by the Government. If the Government desires to accept any Bid after the expiration of such 30-calendar day period, the consent of the appropriate Bidder shall be obtained prior to such acceptance. Notwithstanding the foregoing, the Bid of the Backup Bidder shall be deemed to be a continuing offer to purchase the Property for the period of time that the Government retains the Registration Deposit of the Backup Bidder, as further described in the “Backup Bidder” Section below.

12. GOVERNMENT’S RIGHT TO ACCEPT A BID

Following the close of the Auction, the Government shall have the right (but not the obligation) to accept a Bid that is most advantageous to the Government as determined by the Government in its sole and absolute discretion.

Notwithstanding the foregoing, the amount of the Bid will be the premiere factor used by the Government in determining whether to accept a Bid and, unless another factor raises a concern as to the validity of the High Bid at the close of the Auction and/or the ability of the Bidder of such High Bid to complete the transactions contemplated by this IFB, it will be the only factor used.

13. BID EXECUTED ON BEHALF OF BIDDER

- 1) If the Bidder Registration Form is executed by an attorney or agent on behalf of the Bidder, it shall be

accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the Bidder.

- 2) If the Bidder is a corporation, the Certificate of Corporate Bidder, included in this IFB, must be executed and accompany the Bidder Registration Form. Such certificate must be executed under the corporate seal of the Bidder by a duly authorized officer of the corporation other than the officer signing the Bidder Registration Form. In lieu of the Certificate, there may be attached to the Bidder Registration Form, copies of so much of the records of the corporation as will show the official character and authority of the officer signing the Bidder Registration Form, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.
- 3) If the Bidder is a partnership and all partners sign the Bidder Registration Form with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the Bidder Registration Form, then the names of all those except limited partners must be furnished on the Bidder Registration Form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute the Bidder Registration Form on behalf of the partnership.
- 4) If the Bidder is a limited liability company, a Certificate of Corporate Bidder, included in this IFB, must be completed and executed by the manager of the limited liability company, and accompany the Bidder Registration Form.

14. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the Bid shall be deemed to have been sufficiently given when faxed or mailed to the Bidder or its duly authorized representative at the fax/phone number or address indicated in the Bidder Registration Form. Rejection of a Bid shall also be deemed to have been sufficiently given upon the refund of a Registration Deposit, as described in the Refund of Registration Deposits Section below.

The processing of a Registration Deposit by the Government shall not constitute acceptance of any Bid. The Government reserves the right to reject any or all Bids or portions thereof for any reason.

15. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the Auction for any reason (or no reason) without accepting any Bid and, further, has the right to resume the Auction or start a new auction at any time. In the event of a temporary suspension of the Auction due to technical problems or other bidding issues, the Government will re-open bidding with the High Bid that was posted to the Website immediately prior to the occurrence of such problems or issues and allow the Auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale of the Property and/or Auction at any time and Registration Deposits will be returned to Bidders without interest or further obligation by the Government.

16. ADDITIONAL DEPOSIT AND TRANSACTION CLOSING

Within three (3) business days of acceptance of the Accepted Bid, the Purchaser agrees to deposit an additional amount (the “**Additional Deposit**”) in the form of a certified check or cashier’s check, which when added to the Registration Deposit, will equal at least ten percent (10%) of the Purchase Price. Failure to provide the Additional Deposit will result in a default and forfeiture of the Registration Deposit. At the time of closing, all

monies paid by the Purchaser will be credited, without interest, towards the Purchase Price.

17. REFUND OF REGISTRATION DEPOSITS

- 1) Registration Deposits accompanying Bids that are rejected will be refunded to Bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property. Registration Deposits provided by credit card will be credited to the same account number provided. Refunds will usually be processed within three business days.
- 2) The Registration Deposit received from the Backup Bidder will be held in the manner described in the section immediately below. The Registration Deposit of the Bidder with the Accepted Bid will be held in accordance with the Agreement of Sale. All other Registration Deposits will be processed for refunds after the close of the Auction, or upon written request to withdraw from the Auction, unless the bidder is the first or second high bidder.

18. BACKUP BIDDER

The Government may elect to accept the Bid of the Backup Bidder if the Bidder of the originally Accepted Bid is unable to fully complete the transactions according to the terms and conditions of this IFB including, without limitation, if such Bidder fails to provide the Additional Deposit. The Backup Bidder's Registration Deposit may be retained, at the Government's discretion, without interest, until the Bidder of the originally Accepted Bid completes the transactions. If the Government elects to accept the Bid of the Backup Bidder, then the Backup Bidder becomes the Purchaser under the Agreement of Sale.

The Registration Deposit of the Backup Bidder will be returned in the event the Government does not elect to accept the Bid of the Backup Bidder. In the event that the Government is unable to complete the transaction with both the Bidder of the originally Accepted Bid and with the Backup Bidder, the Government reserves the right to consider the other remaining Bid(s) and accept any of the same if it is in the best interest of the Government, as determined by the Government in its sole discretion provided, however, that the Government will use the same evaluative factors described in the Government's Right to Accept a Bid Section above.

19. ADDITIONAL INFORMATION

GSA will make reasonable efforts to answer requests for additional information concerning the Property to facilitate preparation of Bids.

20. BIDDER RESPONSIBLE FOR UNDERSTANDING THE IFB AND THE AUCTION

Each Bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to the acceptance of a Bid by the Government. Bidders are strongly encouraged to review the information pertaining to the Property on the Website. Bidders understand and agree that any notices of changes to the terms of the IFB and/or the Auction are satisfactory when made available on the Website.

21. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in Bids received.
