COVID-19 Safety Update

People are being ordered or urged by federal, state, and local governments to take extraordinary precautions to slow the spread of COVID-19 including, but not limited to, emergency “Shelter in Place” or “Safer at Home” orders and other social distancing measures (“COVID-19 Precautions”).

To the extent not prohibited by the COVID-19 Precautions, Permit Holders acknowledge that (a) they (i) have been advised that it is safest to conduct all activities related to the purchase of real property virtually, (ii) are responsible for taking all appropriate safety precautions, (iii) are not relying on GSA, its officers, employees, or contractors to take these safety precautions on their behalf, and, (iv) have reviewed the CDC guidelines at <https://www.cdc.gov/coronavirus/2019-nCoV/index.html>; (b) GSA recommends that Permit Holders consult with an attorney to answer any questions they may have including, but not limited, to the scope and applicability of any COVID-19 Precautions that may apply to the Subject Property and each Permit Holder’s access thereto; and (c) GSA may share this Authorization with Government agencies and departments, their officers, employees and contractors.
