PROPERTY DESCRIPTION

1. LOCATION AND SETTING

The Ronald Reagan Federal Building and Courthouse at 228 Walnut Street, is located in the central business district (CBD) of Harrisburg, PA. The building occupies one full block and is surrounded on the northeast by N. Third Street, the east by Walnut Street, southwest by N. Court Street, and west by Locus Street. The building is surrounded by numerous mid- and high-rise office and multi-use buildings. Harrisburg is the capital of Pennsylvania, and Capital Plaza is located across N. Third Street from the Federal Building. Diagonally across from the Federal Building, at the corner of Walnut Street and N. Third Street, is Strawberry Square, a one-million square foot retail and office complex. It is also located across the street from the grounds of the State Capitol Complex, and is just 50 feet from two public parking garages.

2. SALE PARCEL DESCRIPTION

Constructed in 1966, the building has eleven

occupied floors above grade, with a mechanical penthouse and an elevator penthouse set back in two tiers above the eleventh-floor roof. The first floor is set back approximately eight feet on all sides of the building; freestanding columns carry the floors above. Below grade, there is a basement level containing 55 parking spaces, and below that, a sub-basement level containing mechanical and electrical rooms, building engineering and support spaces. The building is approximately 246,000 GSF situated on 0.695-acre parcel.

The Reagan Building superstructure is constructed of reinforced concrete columns, girders and floor slabs. The building skin above the first floor is predominantly constructed of aluminum curtain wall, single glazed with spandrel and vision glass. The setback penthouses are constructed of vertical aluminum louvers and architectural cast stone panels. The setback first floor skin is predominantly veneer marble on concrete masonry unit (CMU) walls, and on concrete columns, planters and foundation walls with glass storefront entrances

and doors. The exterior metal panels and glass give the building a modernist look that makes it easily recognizable in the Capitol Plaza area.

All occupied spaces in the building are fully sprinklered. Stairs, switchgears, transformer, and storage areas are not sprinklered. Penthouses are equipped with a dry sprinkler system. The building does not have a lightning protection system. Finishes of interior core areas of the building contain the highest level finishes including combinations of marble veneer and plaster walls, terrazzo and vinyl asbestos tile (VAT) flooring, plaster and acoustic tile ceilings. The highest level finishes are in the first floor and ninth floor lobbies. Doors in those areas are primarily wood, with additional instances of hollow metal and steel. Typical elevator lobbies throughout the building have VAT floors, marble walls, and combinations of acoustic plaster vaults and lay-in acoustic tile ceilings. Typical interior corridors have mostly VAT and combinations of plaster, gypsum wallboard (GWB) and demountable panel type partitions with acoustic tile ceilings. Typical office suites have combinations of VAT and carpet floors. Courtrooms have a variety of finish conditions. Courtroom finishes include walls of wood veneer, fabric acoustic panels and acoustic plaster, floors generally carpeted, and ceilings a combination of acoustic plaster and acoustic tile.

GENERAL TERMS OF SALE

1. DEFINITIONS

a. AUTOMATIC BID

Also known as “bid by proxy” wherein the bidder establishes a person to bid on their behalf at auction up to a certain limit. In the case of online auctions, computers have automated the proxy role and bidders establish their bid limits online and the software answers bid challenges by automatically making the next bid increment up to the proxy limit.

b. BACKUP BIDDER

The term “Backup Bidder” refers to the bidder, whose bid conforms to the terms and conditions of the IFB, is the second-highest dollar bid at the close of the auction and is determined by the Government to be the second most acceptable bid.

c. BIDDER(S)

The term “Bidder” or “Bidders” as used herein refers to the offeror or offerors for the purchase of the subject Property, and is used interchangeably with “you.”

d. BID INCREMENT/INTERVAL

Once a bid is accepted by the Government for contract, all prior deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become Earnest Money to

the benefit, custody, accountability and control of the Government.

g. FLAT BID

A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder’s automatic bid, the system will consider this flat bid as the current (winning) bid. h. GENERAL SERVICES ADMINISTRATION

The term “General Services Administration” (“GSA”) as used herein refers to the United States General Services Administration, a Federal agency conducting this sale. Auctions for real property are offered as a separate asset category at GSA Auctions and can be viewed at RealEstateSales.gov. Additional information can also be found at PropertyDisposal.gsa.gov.

Any error or omission, including but not limited to, the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall NOT constitute grounds or reason for nonperformance of the contract of sale, or claim by purchaser for allowance, refund or deduction from the purchase price. The IFB is made available at RealEstateSales.gov and may be modified and amended by the Government at any time prior to the conclusion of the auction. Bidder agrees and accepts that notices of any changes to the descriptions provided in this IFB are satisfactory when made available on either or both of GSA’s real property disposal websites at RealEstateSales.gov and/or PropertyDisposal.gsa.gov.

3. INSPECTION

The Property will be made open for inspection by appointment only. No one will be allowed access to the Property without the presence of a GSA employee or designee. Photos provided by the Government may not represent the condition or existence of any improvements of the Property and are NOT to be relied upon in place of the Bidder’s own inspection. Any maps, illustrations or other graphical images of the Property are provided for visual context and are NOT to be relied upon in place of the Bidder’s own inspection. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid after the auction.

4. CONTRACT

The IFB and the bid, when accepted by the Government shall constitute an agreement for sale (“Agreement”) between the high bidder (“Purchaser”) and the Government. Such Agreement shall constitute the whole contract to be succeeded only by the formal instrument(s) of transfer, unless modified in writing and signed by both parties. No oral statements or representations made by, or for, or on behalf of either party shall be a part of such contract. In addition, the Purchaser shall not transfer or assign the Agreement without the express written consent of the Government. Any assignment transaction without such consent shall be void.

5. CONDITION OF PROPERTY

The Property is offered for sale “AS IS” AND “WHERE IS” without representation or warranty, expressed or implied. The Property is zoned DC, Downtown Center District according to the City of Harrisburg Interactive Zoning Map. The Property is subject to the jurisdiction of the City of Harrisburg Bureau of Planning. 7. RISK OF LOSS

As of the date of conveyance and except as stated in the applicable terms of the Reserved Estate set forth on Page 17, the Purchaser shall assume all responsibility for care and handling and all risks of loss or damage to the Property, including but not limited to all buildings and other improvements located thereon, and assume all obligations and liabilities of ownership and no claim for any allowance or deduction upon such grounds will be considered after the conclusion of an auction. In the event of any conflicts, the terms of the Reserved Estate will control.

8. TAXES, ASSESSMENTS AND OTHER COSTS

As of the date of conveyance, the Purchaser shall assume responsibility for all general and special real and personal property taxes or other assessments which have been or may be assessed on the Property, and for all sums due to be paid by the Government in lieu of taxes, which amount shall be prorated.

9. REVOCATION OF BID AND DEFAULT

Purchaser agrees that bids made to purchase the Property are binding offers and once accepted for contract by the Government, all deposits made by the Purchaser to register for the sale, subject to this Invitation for Bids, become "Earnest Money" to the benefit, custody and accountability of the Government.

In the event of (1) revocation of a bid after the conclusion of an auction, but prior to acceptance of the high bid by the Government, or (2) in the event of revocation of a bid after notice of acceptance, or (3) in the event of any default by the Purchaser in the performance of the contract of sale created by such acceptance, or (4) in the event of failure by the Purchaser to consummate the transaction, the Purchaser agrees that any Earnest Money and all deposits paid to the Government in any acceptable form, including credit card, together with any payments subsequently made on account, are subject to forfeit by the Purchaser to the Government at the option of the Government as damages for breach of contract, in which event the Purchaser shall be relieved from further liability. Purchaser agrees that all deposits made with credit cards are subject to forfeit upon Government determination of Purchaser's default and breach of contract. Purchaser shall not request retrieval, chargeback or any other cardholder refund.

Purchaser agrees and understands that a debt

to the United States of America subject to claim or collection by applicable Federal law may be created if their Earnest Money is in any way made unavailable to the Government and that any party that knowingly participates in such retrieval or refund may be held fully accountable for interfering with a Government contract.

10. GOVERNMENT LIABILITY

If the Government accepts a bid for the purchase of the Property and (1) the Government fails for any reason to perform its obligations as set forth herein; or (2) title does not transfer or vest in the Purchaser for any reason, although Purchaser is ready, willing, and able to close; or (3) any other contractual claim or cause of action hereafter accrues in favor of Purchaser under the terms of this IFB, Government's liability to Purchaser shall be strictly limited to all amounts of money Purchaser has paid to Government without interest, whereupon Government shall have no further liability to Purchaser.

11. TITLE EVIDENCE

Any bidder, at its sole cost and expense, may procure any title evidence that the said bidder desires. The Government will, however, cooperate with the Purchaser or its authorized agent in this transaction, and will permit examination and inspection of such deeds, abstracts, affidavits of title, judgments in condemnation proceedings, or other documents relating to the title of the premises and Property involved, as it may have available. It is understood and agreed that the Government is not obligated to pay for any expense incurred in connection with title matters or survey of the Property.

12. TITLE

If a bid for the purchase of the Property is accepted, a quitclaim deed or a deed without warranty in conformity with local law and practice will convey the Government's interest. The Government does not pay for or provide title insurance.

13. EASEMENTS, ENCROACHMENTS AND RESERVATIONS

The Property will be sold subject to any and all covenants, reservations, easements, restrictions, encroachments, and rights, recorded or unrecorded, in favor of third parties, for highways, streets, power lines, telephone lines and equipment, pipelines, drainage, sewer and water mains and lines, public utilities, public roads, railroads and other rights-of-way, and any easements, reservations, rights and covenants reserved by the Grantor herein.

14. COVENANT AGAINST CONTINGENT FEES

The Purchaser warrants that he or she has not employed or retained any person or agency to solicit or secure this contract upon any agreement or understanding for commission, percentage, brokerage, or contingent fee. Breach of this warranty shall give the Government the right to annul the contract without liability or in its discretion to recover from the Purchaser the amount of such commission, percentage, brokerage, or contingent fee in addition to the consideration herewith set forth. This warranty shall not apply to commissions payable by the Purchaser upon the contract secured or made through bona fide established commercial agencies maintained by the Purchaser for the purpose of doing business. "Bona fide established commercial agencies" has been construed to include licensed real estate brokers engaged in the business generally.

15. CONTINUING OFFERS

Each bid received shall be deemed to be a continuing offer for sixty (60) calendar days after the close of the online auction until the bid is accepted or rejected by the Government.

If the Government desires to accept any bid after the expiration of the sixty (60) calendar days, the consent of the bidder shall be obtained prior to such acceptance.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

Prior to closing, the Purchaser or Purchaser's agent must open an escrow account with an independent, unaffiliated escrow company ("Escrow Holder") to handle the closing. All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. As part of the closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds and related matters.

The closing date of the sale is sixty (60) calendar days after acceptance of the bid. Upon written agreement by the Government, the Purchaser may close the transaction prior to the sixty (60) calendar day period.

On the closing date, the Purchaser shall tender to the Escrow Holder the balance of the purchase price in the form of a cashier's check, certified check or electronic wire transfer. Upon confirmation that Purchaser's wire transferred funds have been

received by the Government or that Purchaser's funds by check have been confirmed to the satisfaction of the Government, the Escrow Holder shall record the instrument, or instruments, of conveyance and provide copies of the recorded instrument(s) to the parties. Possession of the Property will be assumed by the Purchaser at the time of closing, subject to applicable terms of the Reserved Estate set forth on Page 17. The Government reserves the right to extend the closing date for a reasonable amount of time.

17. DELAYED CLOSING

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$1,000.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

18. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by Federal, state and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

Within five (5) business days from receipt of the executed deed, the Escrow Holder shall record the quitclaim deed in the official records of the county in which the Property is located and provide GSA a conformed copy of the recorded quitclaim deed to

the following address:

19. OFFICIALS NOT TO BENEFIT

No member or delegate to the Congress, resident commissioner or Government official shall be admitted to any share or part of the contract of sale or to any benefit that may arise therefrom, but this provision shall not be construed to extend to the contract of sale if made with a corporation for its general benefit. GSA employees are prohibited from bidding on the Property offered in the IFB.

20. CAPACITY TO CONTRACT

Bidders must have the legal capacity to enter into a contract in order to bid and acquire the Property.

21. ANTITRUST LAWS

The contract made by the acceptance of bid by the Government may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with anti-trust laws. The Government may rescind the acceptance of any bid, in case unfavorable advice is received from the Attorney General, without liability on the part of the Government other than to return any and all

deposits held by the Government without interest.

22. PROHIBITION ON USE OF CERTAIN TELECOMMUNICATION EQUIPMENT

By signature of the Bidder Registration and Bid Form, bidders hereby certify that their entity is in compliance with Section 889, Prohibition of Certain Telecommunications and Video Surveillance Services or Equipment of the Fiscal Year 2019 National Defense Authorization Act (Pub. - Huawei Technologies Company
- ZTE Corporation
- Hytera Communications Corporation

The prohibition of use of these telecommunications equipment or services applies regardless of whether or not that usage is related to the terms and conditions of this IFB and the certification extends until closing of the transaction as specified herein.

2. TYPE OF SALE

- a. Registered bidders may bid online by following the instructions at RealEstateSales.gov. By submitting your bid through RealEstateSales.gov, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your Username and password.

After successful completion of the registration process, users, also known as "Bidders," are permitted to participate in online auctions. The Bidder Menu provides you with the capability to browse and place bids; track items of interest; follow auctions where bids have been placed; to change your personal information and settings; and to access an easy-to-use online Help Menu.

GSA Auctions® provides up-to-date information on your bidding status. You can check the bidding status by clicking on the Bid History.

- b. Bids received through RealEstateSales.gov are date and time stamped Central Time.

The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.

- c. Bids must be submitted without contingencies.
- d. Bidders that are currently in default status on GSA Auctions®, for non-payment or non-removal of items, will not be allowed to place bids for real property. They will only be allowed to “browse” the items. Once a bidder cures their default, they will be unblocked and be given access to begin bidding on items upon receipt of the required Registration Deposit. For more information, review the GSA Auctions® Terms and Conditions.

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review bid activity by clicking on the “My Messages” tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at (404) 331-2721 or (404) 331-5133. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA’s real property disposal websites at RealEstateSales.gov or PropertyDisposal.gsa.gov.

8. ONLINE BIDDING

RealEstateSales.gov allows you to place a either a flat or automatic (“proxy”) bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder’s automatic bid, the system will

consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder’s automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. Realestatesales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction’s reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction’s reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you selected to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.

9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

- a. Receipt of a garbled or incomplete bid.
- b. Availability or condition of the sending or receiving electronic equipment.
- c. Incompatibility between the sending and receiving equipment and software.
- d. Malfunctioning of any network, computer hardware or software.
- e. Delay in transmission or receipt of a bid.
- f. Failure of bidder to properly identify the bid.
- g. Security of bid data.
- h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at RealEstateSales.gov then you should call GSA at (404) 331-2721 or (404) 331-5133 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA AuctionsSM to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to insure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

10. CLOSE OF AUCTION

- a. Posting of the Close of Auction. The

Government will post on the Website the date and time on which the auction is anticipated to close (shown on the Website as “Close Time”). This posting is typically at least three (3) business days prior to the posted Close Time. The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as “Time Remaining”).

- b. Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the “Inactivity Period”) and is posted under the “Bidding Details” tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. In order for the Auction to close, the High Bid must remain unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional 24 hour Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.
- c. Exceptions for Weekends and Holidays. Notwithstanding the foregoing, online auction sales cannot end on Weekends or Federal Holidays. Therefore, if the posted Inactivity Period extends into a Weekend or Federal Holiday, which the Website defines as the time between: (i) 12:00 am on Saturday until 11:59 pm on Sunday; or (ii) the 24-hour period between 12:00 am to 11:59 pm on any Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Examples are in the table below.

Bid made on:	New closing time:
9 pm CT on Friday	9 pm CT on Monday
11:30 am CT on Saturday	11:30 am CT on Monday
4:40 pm CT on Sunday	4:40 pm CT on Monday

Bidders are responsible for monitoring the Website for the posting and any changes to the Close Time, the Inactivity Period, and the Time Remaining.

11. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

12. BID EXECUTED ON BEHALF OF BIDDER

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

13. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed or e-mailed to the bidder or their duly authorized representative at the fax number physical address or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder's offer.

The Government reserves the right to reject any or all bids or portions thereof for any reason.

14. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

15. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within three (3) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount, if required, in the form of a certified check, cashier's check, or wired funds transfer, which when added to the Registration Deposit, will equal at least ten percent (10%) of the total bid. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within sixty (60) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser will be credited, without interest, toward the total purchase price.

16. REFUND OF REGISTRATION DEPOSITS

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 17, Backup Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second

highest bidder. Return of registration deposits by check will be processed in a timely manner but may require several days before the deposit is returned.

17. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When

the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 16, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

18. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at <https://PropertyDisposal.gsa.gov> or RealEstateSales.gov.

19. WAIVER OF INFORMALITIES OR IRREGULARITIES

The Government may, at its election, waive any minor informality or irregularity in bids received.

The following Notice and Covenants will be inserted in the Quitclaim Deed.

HAZARDOUS SUBSTANCE NOTIFICATION

a. Notice Regarding Hazardous Substance Activity. Pursuant to 40 CFR 373.2 and Section 120(h)(3)(A)(i) of the Comprehensive Environmental Response, Compensation and Liability Act of 1980, as amended (CERCLA) (42 U.S.C. §9620(h)(3)(A)(i)), and based upon a complete search of agency files, the United States gives notice that no hazardous substances have been released or disposed of or stored for one year or more on the Property.

b. CERCLA Covenant. Grantor warrants that all remedial action necessary to protect human health and the environment has been taken before the date of this conveyance. Grantor warrants that it shall take any additional response action found to be necessary after the date of this conveyance regarding hazardous substances located on the Property on the date of this conveyance.

1) This covenant shall not apply:

(a) in any case in which Grantee, its successor(s) or assign(s), or any successor in interest to the Property or part thereof is a Potentially Responsible Party (PRP) with respect to the Property immediately prior to the date of this conveyance; OR

(b) to the extent that such additional response action or part thereof found to be necessary is the result of an act or failure to act of the Grantee, its successor(s) or assign(s), or any party in possession after the date of this conveyance that either:

(i) results in a release or threatened release of a hazardous substance that was not located on the Property on the date of this conveyance; OR

(ii) causes or exacerbates the release or threatened release of a hazardous substance the existence and location of which was known and identified to the applicable regulatory authority as of the date of this conveyance.

(iii) in the case of a hazardous substance(s) previously unknown by Grantor and Grantee as of the date of this conveyance but

which is hereafter discovered by Grantee, its successor(s) or assign(s), or any party in possession and where after such discovery, Grantee, its successor(s) or assign(s), or any party in possession thereafter causes or exacerbates a release or threatened release of such hazardous substance(s).

2) In the event Grantee, its successor(s) or assign(s), seeks to have Grantor conduct any additional response action, and, as a condition precedent to Grantor incurring any additional cleanup obligation or related expenses, the Grantee, its successor(s) or assign(s), shall provide Grantor at least 45 days written notice of such a claim. In order for the 45-day period to commence, such notice must include credible evidence that:

(a) the associated contamination existed prior to the date of this conveyance; and

(b) the need to conduct any additional response action or part thereof was not the result of any act or failure to act by the Grantee, its successor(s) or assign(s), or any party in possession.

c. Access. Grantor reserves a right of access to all portions of the Property for environmental investigation, remediation or other corrective action. This reservation includes the right of access to and use of available utilities at reasonable cost to Grantor. These rights shall be exercisable in any case in which a remedial action, response action, or corrective action is found to be necessary after the date of this conveyance, or in which access is necessary to carry out a remedial action, response action, or corrective action on adjoining property. Pursuant to this reservation, the United States of America, and its respective officers, agents, employees, contractors, and subcontractors shall have the right (upon reasonable advance written notice to the record title owner) to enter upon the Property and conduct investigations and surveys, to include drilling, test-pitting, borings, data and records compilation and other activities related to environmental investigation, and to carry out remedial or removal actions as required or necessary, including but not limited to the installation and operation of monitoring wells, pumping wells, and treatment facilities. Any such entry, including such activities, responses or remedial actions, shall be coordinated with record title owner and shall be

performed in a manner that minimizes interruption with activities of authorized occupants.

NOTICE OF PRESENCE OF LEAD-BASED PAINT (LBP)

The Purchaser of any interest in real property on which a building was built prior to 1978 is notified that such property may present exposure to lead from lead-based paint that may place young children at risk of developing lead poisoning. Lead poisoning in young children may produce permanent neurological damage, including learning disabilities, reduced intelligence quotient, behavioral problems, and impaired memory. Lead poisoning also poses a particular risk to pregnant women. The seller of any interest in residential real property is required to provide the buyer with any information on lead-based paint hazards from risk assessments or inspections in the seller's possession and notify the buyer of any known lead-based paint hazards. A risk assessment or inspection for possible lead-based paint hazards is recommended prior to converting the Property to a residential dwelling.

ASBESTOS-CONTAINING MATERIALS

a. Bidders are warned that the Property contains asbestos-containing materials. Unprotected or unregulated exposures to asbestos in product manufacturing, shipyard, and building construction workplaces have been associated with asbestos-related diseases. Both the Occupational Safety and Health Administration (OSHA) and the Environmental Protection Agency (EPA) regulate asbestos because of the potential hazards associated with exposure to airborne asbestos fibers. Both OSHA and EPA have determined that such exposure increases the risk of asbestos-related diseases, which include certain cancers and which can result in disability or death.

b. Bidders are invited, urged, and cautioned to inspect the Property to be sold prior to submitting a bid. More particularly, bidders are invited, urged, and cautioned to inspect the Property as to its asbestos content and condition, and any hazardous or environmental conditions relating thereto. The Government will assist bidders in obtaining any authorization(s) which may be required in order to carry out any such inspection(s). Bidders shall be deemed to have relied solely on their own judgment in assessing the overall condition of all or any portion of the Property including, without limitation, any asbestos hazards or concerns.

c. No warranties either express or implied are given with regard to the condition of the Property including, without limitation, whether the Property does or does not contain asbestos or is or is not safe for a particular purpose. The failure of any bidder to inspect, or to be fully informed as to the condition of all or any portion of the Property offered, will not constitute grounds for any claim or demand for adjustment or withdrawal of a bid or offer after its opening or tender.

d. The description of the Property set forth in this IFB and any other information provided therein with respect to said Property is based on the best information available to the disposal agency and is believed to be correct, but an error or omission, including but not limited to the omission of any information available to the agency having custody over the Property and/or any other Federal agency, shall not constitute grounds or reason for nonperformance of the contract of sale, or any claim by the Purchaser against the Government including, without limitation, any claim for allowance, refund, or deduction from the purchase price.

e. The Government assumes no liability for damages for personal injury, illness, disability or death, to the Purchaser, or to the Purchaser's successors, assigns, employees, invitees, licensees, or any other person subject to Purchaser's control or direction, or to any other person, including members of the general public, arising from or incident to the purchase, transportation, removal, handling, use, disposition, or other activity causing or leading to contact of any kind whatsoever with asbestos on the Property which is the subject of this sale, whether the Grantee, its successors or assigns has or have properly warned or failed properly to warn the individual(s) injured.

f. The Grantee further agrees that in its use and occupancy of the Property it will comply with all Federal, state, and local laws relating to asbestos.

AS-IS, WHERE-IS PROVISION

a. Grantee agrees and acknowledges that Grantor is selling the property strictly on an "as is, where is", with all faults and without warranty, express or implied, with any and all latent and patent defects. Grantee acknowledges that Grantor has made the property available for inspection by Grantee and Grantee's representatives. Grantee has inspected, or will have inspected prior to closing, the physical condition of the property to the extent felt necessary

by Grantee, including all improvements thereon, and accepts title to the same “as is” in its existing physical condition. Grantee acknowledges that it is not relying upon any representation, warranty statement or other assertion of the United States of America, as Grantor, including its agencies or any official, agent representative or employee of the foregoing, with respect to the property’s conditions. Except as set forth in the contract, Grantee is relying solely and wholly on Grantee’s own examination of the property, is fully satisfied with the property, and accepts any liabilities or costs arising in connection with the condition of the property, including, but not limited to any costs or liabilities pertaining to any environmental condition on the property. Except as set forth in section c., below, the United States of America and its agencies disclaim any and all express or implied warranties and specifically make no warranties of title, habitability, merchantability, suitability, fitness for any purpose, or any other warranty whatsoever. Grantee is put on notice that any prior grant and/or encumbrance may be of record and Grantee is advised to examine all public records available regarding the property.

b. No employee or agent of Grantor is authorized to make any representation or warranty as to the quality or condition of the property, merchantability, suitability or fitness of the property for any use whatsoever, known or unknown to Grantor, or compliance with any environmental protection, pollution or land use laws, rules, regulations, orders, or requirements including, but not limited to, those pertaining to the handling, generating, treating, storing, or disposing of any hazardous waste or substance. In no event shall Grantor be responsible or liable for latent or patent defects or faults, if any, in the property or for remedying or repairing the same including, without limitation, defects related to asbestos or asbestos containing materials, lead, lead-based paint, underground storage tanks, mold, radon or hazardous or toxic materials, chemicals or waste, or for constructing or repairing any streets, utilities or other improvements shown on any plat of the property.

c. Nothing in this “as is, where is” provision will be construed to modify or negate the Grantor’s obligation under the CERCLA covenant or any other statutory obligations.

SITE SPECIFIC ARTWORK

The Property contains site specific artwork known as Eagle or “Marble Eagle” by the artist Theodore

Cotillo Barbarossa Sr. (the “Artwork”). It consists of a white marble eagle executed in high relief on the outside of the building. The eagle is abstract in its appearance with angular features. It clutches arrows in one claw and branches in the other. The eagle is presented in a “displayed” attitude. The artwork was once a fountain, but it has been turned into a planter.

The Grantee agrees that the Artwork will be retained in its current location subject to recall and removal by the General Services Administration upon 120-day’s notice to building owner.

A. Public Access: The building owner, and/or its successors and assigns, and any other party in title, interest and/ or possession of the Property will provide public access to the Artwork noted above.

B. Identification: The Artwork will be accompanied by an interpretative plaque identifying the artist and artistic intent, and noting that it was commissioned for the people of the United States by the Federal government.

C. Protection and Maintenance: Building owner, and/or its successors and assigns, and every other party in title, interest and/or possession of the Property shall exercise reasonable protection against any damage to the Artwork. The Artwork will be preserved and maintained in accordance with the guidelines and standards set forth in the American Institute for the Conservation of Historic and Artistic Works (AIC).

D. Inspection: The Artwork will be inspected on a cyclical basis by representatives of GSA. The Grantee will allow physical access to the Artwork for inspection.

E. Self-Certification: The Property owner, and/ or its successors and assigns, and any other party in title, interest and/or possession of the Property will provide a completed Art Inspection (forms attached) documenting that they are in compliance with the terms and conditions of this covenant. The self-certification will happen on a biennial basis.

F. Disposition: Demolition or Building Alteration. If the Grantee hereafter desires to convey the title of the Property to any other party, demolish the Property, alter the Property in a manner which impacts the Artwork, or be released from

responsibility for caring for the Artwork, it shall notify in writing the Government, acting by and through GSA, at least 120 days prior to such planned conveyance, demolition, alteration or release. Written notification should be sent to GSA's Art in Architecture and Fine Arts Division. Based on the terms and conditions of the proposed conveyance, GSA will determine whether to retain ownership of the Artwork and loan the Artwork to the new Grantee, to remove the Artwork from the Property, or to convey the Artwork to some other party, with a right to remove the Artwork from the Property if the Property is to be demolished or altered in a manner which would impact the Artwork.

In the case of a proposed demolition, alteration, or release, if after a period of 120 days, the GSA declines to take back the sculpture, then the Grantee, and/or its successors and assigns may:

- 1) Require as a condition of such conveyance, that the new owner of the Property protect and maintain the Artwork to the same extent as provided in covenants, subject to reversionary rights the GSA has to the Artwork;
- 2) Convey the Artwork to a public museum, with or without consideration, on condition that if the Artwork ceases to be displayed or used for public purposes, it shall be subject to reversionary rights the GSA has to the Artwork; or
- 3) Sell the Artwork and to fully account for and deliver to the Government, acting by and through the GSA, any and all proceeds of such sale.
- 4) After giving GSA and the artist reasonable notice, access, and opportunity to photograph and document the Artwork, the Grantee may demolish or alter the Property, which may include the destruction of the Artwork.

TERMS OF THE RESERVED ESTATE

Reserved Estate

In accordance with Deed paragraph TBD, above Grantor hereby reserves an estate over the entire Property (the "Reserved Property"). The terms of the reserved estate are as follows:

a. Term. Grantor will have exclusive and unfettered access to, and use and occupancy of, the Reserved Property at all times. The term of this reserved estate will commence on the date of the conveyance of the Property to Grantee and will terminate no later than thirty-six months thereafter (the "Termination Date"). In the event that the Grantor vacates the Reserved Property prior to the Termination Date, Grantee must accept the Reserved Property at such earlier date as Grantor vacates the Reserved Property and the reserved estate created hereby will terminate at such earlier date.

b. Reserved Estate Fee. Grantor retains the reserved estate created hereby without payment of a fee of any kind to Grantee.

c. Maintenance of the Building. Grantee will not be responsible for repairs to the Reserved Property. Grantor will be responsible for the costs of utilities, maintenance, janitorial, and any other services furnished to the Reserved Property necessary to support its continued occupancy. Grantor will have the right, but not the obligation, to maintain, repair and replace the Reserved Property or any portion thereof.

d. Damage or Destruction. In the event the Reserved Property, or any portion thereof, is damaged or destroyed, partially or totally, from any cause whatsoever, Grantor, has the right, but not the obligation, to repair, restore and rebuild the Reserved Property, or any portion thereof, to a condition functional for the Government's continued occupancy, and this reserved estate will continue in full force and effect. In the event that Grantor does not opt to repair or restore or cannot occupy the Reserved Property or any portion thereof, Grantor may surrender the Reserved Property or any portion thereof to Grantee.

e. Surrender of the Reserved Property. Upon termination of the reserved estate, Grantor will surrender the Reserved Property and Grantee will accept the Reserved Property in the then "as is" condition. If, at the end of the term, Grantor elects to abandon any personal property in place, title thereto will pass to Grantee, except as set forth in paragraph H below.

f. Environmental Conditions.

1. Use of Reserved Premises and Notices. When Grantor files any plans, notices, disclosures, documentation, or reports concerning its use, generation, storage,

or disposal of hazardous substances at the Reserved Property, including, without limitation, any manifests, toxic release inventory reports or other environmental reports required by local, State or federal law, Grantor must simultaneously provide Grantee with a copy of any such filing(s).

2. Environmental Incidents. Within three days of any of the events described in this sentence, Grantor must provide written notice to Grantee of any (a) discharge, release, spill, or disposal of any hazardous substance or any solid or hazardous waste (as those terms are used in federal and State law) at the Reserved Property, unless such discharge, spill or disposal was caused by Grantee or its employees or contractors, or (b) claim, notice, investigation, inspection, complaint, Notice of Violation, or other assertion of damages or of violation related to the discharge, release, spill, or disposal of any hazardous substance or any solid or hazardous waste (as those terms are used in federal and State law) at the Reserved Property. Upon providing notice to Grantor, if Grantor is not responding to any of the events described in section (a) or (b) above, Grantee, at Grantee's sole option and discretion, may undertake any necessary actions to respond to any of the events described in section (a) or (b) above. Before conducting such environmental response, Grantee, its employees, invitees and permittees must notify Grantor's building manager representatives and must be accompanied by Grantor's building manager. To the maximum extent possible, Grantee's environmental responses must not interfere with Grantor's use of the Reserved Property.

3. Storage and Use of Hazardous Substances. Grantor must not use, produce, process, manufacture, generate, treat, handle, store, or dispose of any hazardous substances in, on or under the Reserved Property, or release any hazardous substances into any air, soil, surface water, or groundwater comprising the Reserved Property, or permit any person under its control using or occupying the Reserved Property, or any part thereof, excluding Grantee, its employees and contractors, to do any of the foregoing. The preceding sentence will

not prohibit the ordinary use of hazardous substances normally used in connection with the "Permitted Activities" (as defined below), provided that the amount of such hazardous substances does not exceed commercially reasonable quantities for such purposes and the use, storage and disposal of such hazardous substances complies with all applicable laws. As used herein, "Permitted Activities" means the following activities as currently conducted by Grantor on the Reserved Property: (a) office and administrative functions; (b) warehouse and storage functions; (c) parking of motor pool vehicles; (d) weed and pest control; (e) trimming and edging garden areas; (f) aerating and fertilizing garden areas; (g) pruning of plants, shrubs and ground cover; (h) janitorial service functions; (i) operation of building equipment; and (j) operation of an existing above-ground auxiliary fuel oil storage tank located outside the building near its loading dock.

g. Inspection. After giving reasonable prior notice to Grantor's building manager representatives, Grantee will have the right to inspect non-confidential areas of the Reserved Property at reasonable times, provided that Grantee must be accompanied by Grantor's building manager.
