CHFB contains over 1 million rentable square footage and over 800 thousand usable square feet of common areas, including a cafeteria, health unit, credit union, fitness center, and day-care center. 6. HISTORIC PROPERTY AND SIGNIFICANCE

CHFB is individually eligible for listing in the National Register of Historic Places (“NRHP”) at the state level of significance under Criterion C with a 1971 period of significance, the year of its construction, as an excellent example of a Modern/Brutalist ziggurat building designed by master architect William L. Pereira. It is distinguished by weighty, massive forms, rough, exposed concrete surfaces, broad, expansive wall planes, and recessed windows. The seven-story, million-plus square foot building is notable not just for its massive scale, but its unusual design featuring a stepped ziggurat configuration constructed of angled, painted, precast pebble-textured concrete panels. It also has a lateral force-resisting system consisting of concrete shear walls and single-level concrete moment frames.

GSA completed a Historic Structures Report (“HSR”) prepared by Architectural Resources Group, dated February 27, 2019. The HSR is a guide that identifies character-defining features of specific improvements (“Historic Property”). A copy of the redacted report is available by request at LagunaRidge@gsa.gov. An electronic copy of the unredacted report will be provided ONLY to the Registered Bidders, subject to signing a Confidential Release and Non-Disclosure Agreement (“NDA”).

7. PURCHASER OPTIONS FOR THE TREATMENT OF HISTORIC PROPERTY

As part of GSA's compliance with the National Historic Preservation Act (54 U.S.C. § 306108) and its implementing regulations (36 C.F.R. Part 800), GSA entered into a Memorandum of Agreement (MOA) with the California State Historic Preservation Office (CASHPO) and the Advisory Council for Historic Preservation (ACHP). The MOA is incorporated to this IFB by reference and is available at GSA.gov/LagunaRidge. Bidders are encouraged to review this MOA to understand the requirements identified below.

In accordance with the MOA, the Purchaser must elect to address the historic significance of the Property by selecting one of the following three options:

Option A: No Easement - Mitigation Fund

The Purchaser may elect to take title to the Property without a historic covenant or easement to protect the historic building. To select this option, the Purchaser must deposit \$2,000,000, along with the balance of the purchase price, into escrow prior to the closing of the transaction. The \$2,000,000 will subsequently fund, in accordance with the MOA, a Mitigation Fund grant program through which other individuals and entities will address the potential loss of the historic resource.

Within eighteen (18) months from the closing of the transaction, the Purchaser must independently select a non-profit organization (“Administrative Entity”), to administer the Mitigation Fund. The selected Administrative Entity must meet the following eligibility criteria:

- a) a local affiliation to Orange County or Southern California;
- b) a commitment to document and conserve historic resources;
- c) tax-exempt 501(c)(3) organization status;
- d) a proven track record managing grant funds;
- e) available resources, including personnel, to manage and administer a grant program; and
- f) no affiliation with and be independent from the Purchaser for the duration of the grant program.

The Purchaser must also deposit an additional \$1,000,000 into escrow as a performance deposit (“Performance Deposit”). This Performance Deposit will be held in escrow until the Purchaser selects and executes any necessary agreements with an eligible Administrative Entity within eighteen (18) months of conveyance. In the event that the Purchaser fails for any reason to select an eligible Administrative Entity within eighteen (18) months of conveyance, this Performance Deposit will be considered forfeited, and will be distributed to GSA by the Escrow Holder.

Within ten (10) business days after the execution of any necessary agreements among the Administrative Entity, the Purchaser and GSA, the Purchaser shall receive a full refund of the Performance Deposit. GSA must approve and execute any such agreements to ensure consistency with the MOA. GSA's approval and execution will not be unreasonably withheld. Except for the specific roles and responsibilities outlined in the MOA, GSA will not provide indemnification, other assurances or representations to the other parties of the agreement

GSA will provide technical assistance to the Purchaser as it relates to the identification of the Administrative Entity and in drafting the required tri-party agreement.

GSA makes no representations or warranties that the creation and funding of this Mitigation Fund will address or satisfy any other requirements that may be imposed by the City of Laguna Niguel or as part of the California Environmental Quality Act (CEQA) process related to the redevelopment of the site. The Mitigation Fund is intended solely to satisfy GSA's compliance obligations with applicable Federal law.

Option B: Full Preservation Easement:

The Purchaser may voluntarily elect to negotiate, execute and record a Preservation and Conservation Easement ("Easement") with an easement holding organization. The Government has prepared a sample easement that is available at [GSA.gov/LagunaRidge](https://www.gsa.gov/LagunaRidge). The area subject to an optional easement ("Preservation Area") would be within the Main Parcel and is depicted in the Preservation Area Map available at [GSA.gov/LagunaRidge](https://www.gsa.gov/LagunaRidge). The potential Preservation Area would include the CHFB, the West Guard Station and East Guard Station, and the North driveway and rooftop parking areas, totaling approximately 26 acres. If this option is selected, the Purchaser is solely responsible for obtaining and providing a legal description of the Preservation Area prior to recording of any easement.

The Government will not be a party to the Easement, however, at a minimum, the Easement should include the terms identified in the sample easement to ensure long-term preservation of the Property. Information regarding easement holding organizations is also specified at [GSA.gov/LagunaRidge](https://www.gsa.gov/LagunaRidge).

If the Purchaser elects this option prior to closing, the requirements of Option A will be waived. The purchaser must select this option within five (5) days from bid acceptance and payment of the earnest money deposit.

If the Purchaser elects this option but cannot enter into an easement agreement prior to closing, the Purchaser will be required to identify the Administrative Entity and provide the Mitigation Fund and Performance Deposit amounts as required under Option A. However, if the purchaser records an easement for the entire Preservation Area, the Purchaser shall receive a refund of the entire \$2,000,000 Mitigation Fund and the Performance Deposit. This "full" easement entered into with an easement holding organization must be recorded within eighteen (18) months from conveyance to receive this refund.

Option C: Partial Preservation Easement - Mitigation Fund

The Purchaser may voluntarily decide to seek an adaptive reuse strategy of the building by preserving at minimum the Ziggurat portion of the structure. This approach will require consultation between the Purchaser, the CASHPO and other organizations to ensure the strategy would preserve to the greatest extent possible the significant character defining features of the historic building to retain eligibility for potential tax credits.

The Government will not be a party to the Easement, however, at a minimum, the Easement should include the terms identified in the sample easement to ensure long-term preservation of the Property. Information regarding easement holding organizations is provided along with a sample easement at [GSA.gov/LagunaRidge](https://www.gsa.gov/LagunaRidge). This option will still require the Purchaser to identify the Administrative Entity and provide the Mitigation Fund and Performance Deposit amounts as required under Option A. However, if the Purchaser records an easement that

defines the roles and responsibilities of the Purchaser to partially preserve the building, the Purchaser shall receive a refund of \$1,000,000, leaving the Mitigation Fund with a balance of \$1,000,000. This partial easement entered into with an easement holding organization must be recorded within eighteen (18) months year from conveyance to receive this refund.

As indicated under Option A, within ten (10) business days after the execution of a tri-party agreement among the Administrative Entity, the Purchaser and GSA that incorporates the provisions of the MOA related to the Mitigation Fund, the Purchaser shall receive a full refund of the Performance Deposit.

16. TENDER OF PAYMENT AND DELIVERY OF INSTRUMENT OF CONVEYANCE

Prior to closing, the Purchaser or Purchaser's agent must open an escrow account with an independent, unaffiliated escrow company ("Escrow Holder") to handle the closing. This escrow account will also be used to hold and distribute the funds described in the Property Description section, Paragraph 6, Purchaser Options for the Treatment of the Historic Property. This account may be open for up to 18 months from the date of closing.

All closing costs, including escrow fees and document handling expenses, shall be borne solely by the Purchaser. As part of the closing, the Government will provide escrow instructions to the Escrow Holder regarding the recording, disposition of proceeds and related matters.

The closing date of the sale is **one-hundred eighty (180) calendar days** after acceptance of the bid. Upon written agreement by the Government, the Purchaser may close the transaction prior to the **one-hundred eighty (180) calendar day period**.

On the closing date, the Purchaser shall tender to the Purchaser's Escrow Holder the balance of the purchase price in the form of an electronic wire transfer. Upon confirmation that Purchaser's funds have been received by the

Purchaser's Escrow Holder, the Government shall deliver the instrument, or instruments, of conveyance to the Purchaser's Escrow Holder for recordation. The Government reserves the right to extend the closing date for a reasonable amount of time.

17. DELAYED CLOSING

Any change to the established closing date is subject to the written approval by the Government. The Government reserves the right to refuse a request for extension of closing. However, if the Government grants an extension, the Purchaser may be required to pay either: (i) a liquidated damages assessment of \$500.00 per day; or (ii) interest on the outstanding balance of the purchase price, whichever is greater, if the closing of the sale is delayed, and the delay is caused, directly or indirectly, by the Purchaser's action or inaction and not by any action on the part of the Government. The interest rate shall be computed based on the yield of 10-year United States Treasury maturities as reported by the Federal Reserve Board in "Federal Reserve Statistical Release H.15" plus 1-1/2% rounded to the nearest one-eighth percent (1/8%) as of the date of bid acceptance. The Government may impose additional terms and conditions to grant an extension.

18. CLOSING COSTS, DOCUMENTARY STAMPS AND COST OF RECORDING

All closing costs, including escrow and financing fees, shall be borne solely by the Purchaser. The Purchaser shall pay all taxes and fees imposed on this transaction and shall obtain at Purchaser's own expense and affix to all instruments of conveyance and security documents such revenue and documentary stamps as may be required by federal, state, and local law.

All instruments of conveyance and security documents shall be placed on record in the manner prescribed by local recording statutes at the Purchaser's expense.

21. ANTITRUST LAWS

The contract made by the acceptance of bid by the Government may be transmitted to the Attorney General of the United States for advice as to whether the sale would tend to create or maintain a situation inconsistent with antitrust laws. The Government may rescind the acceptance of any bid, in case unfavorable advice is received from the Attorney General, without liability on the part of the Government other than to return any and all deposits held by the Government without interest

INSTRUCTIONS TO BIDDERS

1. AUCTION START DATE

The auction opens on **Wednesday, June 5, 2024, at 11:00 a.m. (Central Time)**.

2. TYPE OF SALE

This sale will be an online auction conducted at RealEstateSales.gov. The auction will be conducted over a period of time, usually several weeks, as determined by bid activity. The date of the auction close (see Paragraph 10, Close of Auction) will be announced at RealEstateSales.gov, with at least three business days prior notice. The auction may continue beyond that date as long as bidders continue to submit higher bids. Thus, the bidders determine when the sale closes by their bidding activity.

3. BIDS AND TERMS OF SALE

Bids to purchase must be ALL-CASH. Buyers are expected to arrange their own financing and to pay the balance in full by the closing date. No Government credit terms are available. GSA has no information on the availability of private financing or on the suitability of this Property for financing.

4. STARTING BID

This auction is being opened with an amount which does not represent the value of the Property but rather provides a reasonable starting point for the online auction. The starting bid will be displayed as the Current Bid. The Government seeks to obtain fair market value for the Property and reserves the right to reject any and all bids.

5. BIDDER REGISTRATION AND DEPOSIT

a. Bidder registration is a three-step process:

- (1) Complete Online Registration: Bidders must register online at RealEstateSales.gov. Click on "Register", establish a Username and Password and provide the requested account information including a valid email address. A Username and Password are used to register online and to place bids. The required password must be between six and fifteen characters. You will be asked to read and agree to the terms and conditions of the Website. GSA reserves the right to change the online terms and conditions. A previously registered bidder of GSAuctions.gov can login using the established Username and Password. In the event you forget your Username or Password, or both, or are locked out from the system, it is your responsibility to obtain your Username and Password from RealEstateSales.gov. GSA staff cannot assist in retrieving a lost or forgotten Username or Password.

GSAuctions.gov has implemented Multi-Factor Authentication (MFA) for access to RealEstateSales.gov. Every user must register their User ID information if they have not yet set up their MFA. Once registered, you may log in using your email and password and a numeric verification code. This verification code is delivered to you by one of the delivery methods you chose during your registration process. For additional information on MFA, please review the GSAuctions.gov [FAQ](#) page.

You may register as either an individual or as a company and this information must be the same information provided on the Bidder Registration and Bid Form for Purchase of Government Real Property. Changes to title may be considered after bid acceptance at the discretion of the Government. If you wish to participate as an individual and a representative of a company, you must register separately for each and place bids accordingly.

In accordance with Public Law No. 104-134, Section 31001, the Debt Collection Improvement Act of 1996, the Tax Identification Number (TIN) must be provided by anyone conducting business with the Federal Government, from which a debt to the Government may arise. Individuals cannot successfully

register to bid on items without providing a TIN. A TIN is defined as an individual's Social Security Number (SSN) or business entity's Employer Identification Number (EIN). If you registered as an Individual, your SSN will be validated with your name and address. If you registered as a Company, your business identity's EIN will be validated with your company name and address. The use of an individual's SSN is subject to the Privacy Act of 1974 (5 U.S.C. Section 552a) and will be collected to verify the data submitted by the user.

An authentication process will be conducted to confirm the identity of individuals and companies to prevent potential fraudulent bidding activity and to ensure that bidders are prepared to accept responsibility for their bidding activity, and all submitted bids are valid. **The identity information you provide at registration is used strictly for authentication purposes.**

6. BIDDING IN GENERAL

- a. Registered bidders may bid online by following the instructions at RealEstateSales.gov. By submitting your bid through RealEstateSales.gov, you agree that your bid is a binding offer. You will be legally obligated for any and all bids submitted using your Username and password.

After successful completion of the registration process, users, also known as "Bidders," are permitted to participate in online auctions. The Bidder Menu provides you with the capability to browse and place bids; track items of interest; follow auctions where bids have been placed; to change your personal information and settings; and to access an easy-to-use online Help Menu.

GSA Auctions® provides up-to-date information on your bidding status. You can check the bidding status by clicking on the Bid History.

- b. Bids received through RealEstateSales.gov are date and time stamped Central Time. The Government will not be responsible for any discrepancies between the time indicated on the Website and the apparent time indicated, displayed, or otherwise stated or represented by a registered bidder.
- c. Bids must be submitted without contingencies.
- d. Bidders that are currently in default status on GSA Auctions®, for non-payment or non-removal of items, will not be allowed to place bids for real property. They will only be allowed to "browse" the items. Once a bidder cures their default, they will be unblocked and given access to begin bidding on items upon receipt of the required Registration Deposit. For more information, review the GSA Auctions® [Terms and Conditions](#).

7. CONTINUOUS BIDDING RESULTS AND AUCTION INFORMATION

Bidders are strongly encouraged to monitor bidding activity at RealEstateSales.gov. Bidders may also review bid activity by clicking on the "My Messages" tab once logged in. New bids are immediately posted at RealEstateSales.gov upon receipt. If you no longer have the high bid and the sale has not closed, you can go back to the item and place another bid. Bids cannot be lowered or canceled.

If your bid is not accurately shown on RealEstateSales.gov, then you should call GSA at (415) 734-8367 or (415) 730-8093. Bidders are urged to pay close attention to RealEstateSales.gov which will contain new, revised, and useful information regarding the high bid, modification to bid increment and the closing date of the auction that is subject to change. Bidder agrees and accepts that notices of any changes to the terms and conditions of sale or instructions to bidders is satisfactory when made available on either or both of GSA's real property disposal websites at RealEstateSales.gov.

8. ONLINE BIDDING

RealEstateSales.gov allows you to place either a flat or automatic (“proxy”) bid. A flat bid is for an amount at least the current bid plus the posted minimum Bid Increment. If the bid is greater than another bidder’s automatic bid, the system will consider this flat bid as the current (winning) bid. If the bid is less than or equal to another bidder’s automatic bid, the system will record the bid but it will not be considered the current (winning) bid. The required minimum bid will be specified on the bid screen and once entered it will be displayed as the winning bid unless an automatic bid that is greater than this amount has been placed.

An automatic bid is an amount that you set above the posted minimum bid. Realestatesales.gov will use as much of your bid as needed to make you the current winner of the auction or to meet the auction’s reserve price. The system will automatically apply the minimum Bid Increment up to the total amount bid to make you the current winner of the auction or to meet the auction’s reserve price. Your automatic bid amount is not shown to other bidders until it is reached through competitive bidding. You may change your bid amount but not less than the next bid increment amount. If the system reaches your automatic bid limit, it stops bidding for you. Submit another bid if you want to continue bidding. If you select to receive e-mail notifications during registration, the system will notify you if you are no longer holding the winning bid. You can submit another flat bid or reset your automatic bid amount if you want to continue bidding. Your automatic bid is not shown to other bidders. If a reserve price is set, RealEstateSales.gov will use as much of your bid as needed to meet the reserve price.

When two automatic bids compete, the greater of the two always wins. If the greater automatic limit does not exceed the lesser automatic limit by the full stated Bid Increment, then the greater automatic limit bid is placed. You may increase or decrease your automatic bid limit at any time. You cannot decrease your automatic bid below the current bid. If you are currently the winner in an auction, increasing your automatic bid will not increase your current bid until challenged by another bid. Changing your automatic bid may affect the indicated time remaining.

If you learn from RealEstateSales.gov that your bid was not the high bid, or if another bidder exceeds your previous high bid, you may increase your bid at RealEstateSales.gov until such time as bidding is closed. Increases in previously submitted bids are welcome and your Registration Deposit will apply to subsequent increased bids. All increased bids must be made online. **The Government reserves the right to modify the Bid Increment at any time prior to the close of the auction.**

9. TRANSMISSION AND RECEIPT OF BIDS

The Government will not be responsible for any failure attributable to the inability of the bidder to transmit or the Government to receive registration information, bid forms or a bid by any method. Failure to receive registration information, bid forms or a bid may include, but is not limited to the following:

- a. Receipt of a garbled or incomplete bid.
- b. Availability or condition of the sending or receiving electronic equipment.
- c. Incompatibility between the sending and receiving equipment and software.
- d. Malfunctioning of any network, computer hardware or software.
- e. Delay in transmission or receipt of a bid.
- f. Failure of bidder to properly identify the bid.
- g. Security of bid data.
- h. Inability of bidder to enter bid. For example: due to lost or forgotten password or system lock due to repeated login failures.
- i. Unavailability of GSA personnel.

If your bid is not accurately shown or you cannot enter a bid at RealEstateSales.gov then you should call GSA at (415) 734-8367 or (415) 730-8093 for assistance.

The Website will NOT be available during the following system maintenance windows:

- Saturday: 5:00 a.m. to 8:00 a.m. CT
- Sunday: 6:00 a.m. to 10:00 a.m. CT

Occasionally, technical problems will interrupt the bidding process for an unspecified amount of time. These interruptions may affect some or all bidders. In the event of an interruption, an evaluation of the length of interruption time and the numbers of bidders affected may prompt GSA AuctionsSM to extend the closing time for an auction. Extension may range from 1 hour to 24 hours based on the aforementioned criteria, to ensure fair and full competition. An email notification will be sent to those bidders who participated in these auctions when they are extended.

10. CLOSE OF AUCTION

- Posting of the Close of Auction. The Government will post on RealEstateSales.gov the date and time on which the auction is anticipated to close (shown on the Website as “Close Time”). The Website will also show the days, hours and minutes remaining until the Close Time (shown on the Website as “Time Remaining”).
- Inactivity Period and Closing of Auction. When the Close Time is posted, a twenty-four (24) hour inactivity period is established (shown on the Website as the “Inactivity Period”) and is posted under the “Bidding Details” tab of the Website. Note that the Website shows the Inactivity Period in minutes with 24 hours represented as 1440 minutes. At its option, the Government may adjust the Inactivity Period for less than 24 hours at intervals of 240 minutes (4 hours) or less. When this occurs, the Time Remaining and Close Time will adjust accordingly (see paragraph c below).

In order for the Auction to close, the High Bid must remain unchanged for the Inactivity Period. Each time a new High Bid is received within the Inactivity Period or if the maximum amount that a Bidder is willing to pay for the Property under a proxy Bid is changed within the Inactivity Period, the Auction will automatically extend for an additional Inactivity Period. The Time Remaining and Close Time will adjust accordingly. If the High Bid remains unchanged for the full Inactivity Period, the Auction will close.

- Exceptions for Weekends and Holidays. Notwithstanding the foregoing, **online auction sales cannot end on Weekends or Federal holidays.** Therefore, if the posted Inactivity Period extends into a Weekend or Federal Holiday, which the Website defines as the time between: (i) 12:00 am on Saturday until 11:59 pm on Sunday; or (ii) the 24-hour period between 12:00 am to 11:59 pm on any Federal Holiday, the Auction will automatically extend to the same time on the first business day following the Weekend or Federal Holiday. Federal Holidays are listed here [List of Federal Holidays](#). **When the Inactivity Period is set for less than 24 hours, the auction will not close outside of open business hours. Business hours are 8 a.m. to 5:00 pm Central Time.**

Bidders are responsible for monitoring the Website for the posting and any changes to the Close Time, the Inactivity Period, and the Time Remaining. The Government reserves the right to increase or decrease the Bid Interval at any time prior to the close of the auction. Bidder agrees that notices of changes to the sale are satisfactory when made available on the Website at RealEstateSales.gov.

11. ACCEPTABLE BID

An acceptable bid is one received from a responsible bidder, whose bid, conforming to this IFB, will be most advantageous to the Government.

12. BIDDER’S BROKER PARTICIPATION

Real estate brokers that have secured a registered bidder shall receive a “finder’s fee” in the event the bidder’s high bid is accepted and the sale is closed with all funds being received by the Government, and the broker is not (1) the

bidder; (2) a partner in the bidding relationship; (3) in a partnership with the bidder; or (4) a corporate officer or controlling shareholder in the bidding corporation.

The real estate broker shall receive a “finder’s fee” consisting of 0.50 - 0.80% of the sale price. The fee shall only be considered earned upon closing and will be paid through escrow.

Rate	Accepted Bid
0.50%	\$70,000,000 - \$99,999,999
0.70%	\$100,000,000-\$149,999,999
0.75%	\$150,000,000 - \$199,999,999
0.80%	Over \$200,000,000

The obligation to pay a “finder’s fee” shall accrue at closing, not at Government’s bid acceptance.

In addition to the Bidder Registration and Bid Form, bidders must complete and submit the Buyer’s Broker Participation Registration Form (page 27) with their client’s bid form. Submissions of the Buyer’s Broker Participation Registration Form after GSA’s receipt of the Bidder Registration and Bid Form will not be accepted, and any identified broker will not be authorized to receive the “finder’s fee”.

13. BID EXECUTED ON BEHALF OF BIDDER

A bid executed by an attorney or agent on behalf of the bidder shall be accompanied by an authenticated copy of their Power of Attorney or other evidence of their authority to act on behalf of the bidder.

If the bidder is a corporation, the Certificate of Corporate/Organization Bidder, included in this IFB, must be executed. The certificate must be executed under the corporate seal by some duly authorized officer of the corporation other than the officer signing the bid. In lieu of the Certificate of Corporate Bidder, there may be attached to the bid, copies of so much of the records of the corporation as will show the official character and authority of the officer signing, duly certified by the secretary or assistant secretary, under the corporate seal, to be true copies.

If the bidder is a partnership, and all partners sign the bid, with a notation that they are all general partners, the Government will not ordinarily require any further proof of the existence of the partnership. If all the partners do not sign the bid, then the names of all those except limited partners must be furnished on the bid form and the Government, in its discretion, may require evidence of the authority of the signer(s) to execute bids on behalf of the partnership. The name(s) and signature(s) of the designated bidder(s) must be included on the Bidder Registration and Bid Form.

If the bidder is a limited liability company, a certificate of the LLC must be completed and executed by the manager and submitted with the Bidder Registration Form. The Certificate of Corporate/Organization Bidder form may be used for this purpose.

14. NOTICE OF ACCEPTANCE OR REJECTION

Notice by the Government of acceptance or rejection of the bid shall be deemed to have been sufficiently given when faxed, mailed, or e-mailed to the bidder or their duly authorized representative at the fax number physical address or e-mail address indicated on the Bid Form. The processing of a registration deposit by the Government shall not, in itself, constitute acceptance of the bidder’s offer. The Government reserves the right to reject any or all bids or portions thereof for any reason.

15. AUCTION SUSPENSION OR CANCELLATION

The Government reserves the right to temporarily suspend or cancel the auction for any reason without accepting a bid and resume the auction or start a new auction at any time. In the event of a temporary suspension due to technical problems, or other bidding issues, the Government will determine the high bidder and the high bid amount; re-open bidding and allow the auction to proceed according to the bidding terms described herein. The Government reserves the right to cancel the sale at any time and Registration Deposits will be returned to bidders without interest or further obligation by the Government.

16. INCREASE OF EARNEST MONEY AND TRANSACTION CLOSING

Within five (5) business days of acceptance of a bid by the Government, the Purchaser agrees to deposit an additional amount, if required, in the form of an electronic wire transfer, which when added to the Registration Deposit, will equal at least ten percent (10%) of the total bid. Failure to provide these funds will result in a default and forfeiture of the Registration Deposit.

Upon written acceptance of a bid, the Earnest Money shall be applied towards payment of the Purchaser's obligation to the Government. The full balance of the purchase price in the form of a certified check, cashier's check or electronic wire transfer is payable within one-hundred eighty (180) calendar days after acceptance of bid. At the time of closing, all monies paid by the Purchaser, except for the funds described in Property Description section, Paragraph 6, Purchaser Options for the Treatment of the Historic Property, will be credited, without interest, toward the total purchase price.

17. REFUND OF REGISTRATION DEPOSITS

Registration Deposits accompanying bids that are rejected will be refunded to bidders without interest. Bidders who provided Registration Deposits by check will receive their check by mail. Refunds will only be processed to the same individual or entity identified on the Bidder Registration and Bid Form for Purchase of Government Real Property.

Registration Deposits received from the second highest bidder will be held as stipulated in Paragraph 17, Backup Bidder. All other Registration Deposits will be processed for refunds after the last day of the auction or upon written request to withdraw from the auction unless the bidder is the first or second highest bidder. Return of registration deposits by check will be processed in a timely manner but may require several days before the deposit is returned.

18. BACKUP BIDDER

The second-highest bidder will be the Backup Bidder. The bid of the Backup Bidder may be considered for acceptance for the duration of Continuing Offer period described in Terms of Sale, Paragraph 15, Continuing Offers, if: 1) the original High Bidder is unable to fully complete the transaction according to the terms and conditions of the IFB; or 2) if the original High Bidder fails to provide the required 10% of the purchase price as Earnest Money. The Bidder identified as the Backup Bidder agrees that their Bid remains a bona fide offer with which their Registration Deposit may be retained without interest, until the High Bidder provides the 10% Earnest Money or completes the transaction or both, at the Government's discretion. During the Continuing Offer period, the Bidder identified as the Backup Bidder agrees that they will not request retrieval, chargeback or any other cardholder refund and understands that a debt to the United States of America may be created if their deposits are in any way unavailable to the Government to which any party that participates in such chargeback or refund may be held accountable as provided in Terms of Sale, Paragraph 9, Revocation of Bid and Default. When the Backup Bidder is converted to the High Bidder, all terms, conditions and agreements described in the IFB are applicable to the successful bidder.

The Registration Deposit of the Backup Bidder will be returned as described in Paragraph 16, Refund of Registration Deposits, if the Backup Bidder is not converted to the High Bidder. In the event that the Government is unable to complete the transaction with the highest or backup bidder, the Government reserves the right to consider the remaining bid(s) and accept a bid that is in the best interest of the Government.

19. ADDITIONAL INFORMATION

GSA will provide additional copies of this IFB and make every effort to answer requests for additional information concerning the Property to facilitate preparation of bids. Each bid shall be deemed to have been made with full knowledge of all terms, conditions, and requirements contained in this IFB and any amendments made thereto prior to bid acceptance. Bidders may also review the information pertaining to the Property at [RealEstateSales.gov](https://www.RealEstateSales.gov).

20. WAIVER OF INFORMALITIES OR IRREGULARITIES
